mitting a letter to be written, mailed, answered and returned from Salt Lake City in less than 24 hours can be chalked up in part to the credit of "Lishe" Duke who will be gratefully remembered by the people of this county as the man who saw that "the mail must go through."

When the railroad came to Heber in 1899 the Denver & Rio Grande received the mail contract on a daily basis. Fred Hayes was postmaster for a short time and then was followed by John A. Smith who served until March 1, 1915. Dan McMillan was appointed next and served until November 1, 1920. Guy Duke, a veteran of World War I was then appointed and served until December of 1922 when Jay Jensen was appointed. Maranda Smith took office as postmistress on December 18, 1923 and served until February 19, 1936, when the present postmaster, Heber M. Rasband, took office.

Star route carriers during the years have been E. J. Duke who served for more than 40 years, Elijah Davis, John Wall, Willard Davis, Ben Murdock, Jay Cummings and Stacey Wright. Rural carriers who served for more than 30 years each included Lawrence B. Duke, Adolphia R. Duke, and Max Lee.

City postal delivery was established in Heber November 1, 1946, and carriers appointed at that time were Jay O. Johnson, Ray Wright, Bert Lindsay and Garth Rasband.

Another important governmental function in Heber, though it began at first as a private need, is operation of the Heber City Cemetery.

When the east part of the townsite was surveyed in 1859 an area near the foothills in the north-east part of the valley was set aside for burial plots. During that same year an infant daughter of James and Sariah Cook died and was the first person to be buried in the area. Later that year, John Carlile was injured while crossing Provo River and died in September. He became the first adult to be buried in the cemetery.
